We're always two steps ahead of your shipment

With **ClearPointt**, you won't end up in a phone queue having to explain your needs to the next available stranger. Whether your company is large or small, we provide you with a specifically assigned logistics specialist who serves as the primary point of contact for all your business needs. In addition, our detailed on-boarding process ensures that your specialist has a thorough understanding of your specific requirements. Your specialist is also trained to stay in constant contact with our carriers in order to keep things moving, and to help clear any obstacles along the way.

- Specifically assigned logistics specialists

Non-stop reliability

Our meticulous performance comes from experience and perseverance. No job is complete until every "t" is crossed and every "i" is dotted. As such, we utilize our advanced systems and the irreplaceable human touch of the relentless tracking and tracing of your shipments.

- Constant monitoring of freight

Proactive communication means no surprises

Have you ever been caught unaware regarding issues in your supply chain? With **ClearPointt**, there are no unwanted surprises. We communicate with clarity and purpose so you stay informed. Your dedicated logistics specialist stays in front of each shipment and brings any issues – both real and potential – to your immediate attention.

- Always up front
